## **DETAILED ACTION**

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance:

a. Claims 1 - 10 are allowable over the Prior Art of Record because it fails to teach or suggest a machine tool accessory including a shank for releasably attaching the accessory to a spindle of a machine tool, the shank being attachable to the spindle in a plurality of orientations and having electrical contacts for electrical communication with complementary electrical contacts at the spindle, the accessory further including a circuit for determining the orientation of the contacts of the shank relative to complementary contacts at the spindle in combination with the remaining limitations of the claims.

b. Claims 11 - 13 are allowable over the Prior Art of Record because it fails to teach or suggest machine tool comprising a machine tool accessory having a shank; the spindle having a shank receiving area for releasably accepting in a plurality of orientations the shank of the machine tool accessory; the machine tool further comprising a first electrical link between the stationary part and the spindle and a second electrical link between the spindle and the shank in the form of a plurality of electrical contacts at the shank and a plurality of complementary electrical contacts at the shank receiving area of the spindle,
